**CASE RESOLUTION STATUS REPORT**

---

Pursuant to the Initial Case Management Order (DE 21), Plaintiff Elizabeth Norwood (“Plaintiff” or “Norwood”), by and through counsel, submits this Case Resolution Status Report. Counsel for Plaintiff attempted to make this a joint report with Defendant Theron Hutton (“Hutton”), but Defendant Hutton did not respond by the time this report was filed. Defendants Mulberry Medical Aesthetics, LLC and Mulberry Clinic, PLLC have not joined in this report as they are not represented by counsel. Further, default has been entered against Mulberry Medical, and a request for entry of default is pending against Defendants Mulberry Clinic and Hutton. (DE 38, 40, 41.)

Plaintiff served initial disclosures and discovery requests on Defendants Hutton and MMA in November, 2024. Defendants have not responded to discovery and have not served initial disclosures. (See Hart Declaration, Feb. 14, 2025, Ex. A to Memorandum in Support of Request for Entry of Default, DE 41-1.) Defendant Mulberry Clinic has not participated in this litigation

in any manner. Plaintiff made an initial settlement demand to all Defendants prior to this litigation being filed. Defendants did not make a counter-offer to settle. Defendants have not materially participated in this litigation, thus, the parties have not discussed settlement since the initial demand was sent.

Respectfully submitted,

/s/ Elizabeth G. Hart
